CELEBRATION OF UPCOMING NATIONAL MATHEMATICS DAY–2026

Followed By

TWO-DAY NATIONAL SEMINAR ON ADVANCES IN MATHEMATICAL SCIENCES AND INTERDISCIPLINARY RESEARCH (HYBRID MODE)

(NSAMSIR-2026)

December 18-19, 2026

ORGANIZED BY

DEPARTMENT OF MATHEMATICS, DIRECTORATE OF OPEN & DISTANCE LEARNING (DODL)

in collaboration with

DEPARTMENT OF MATHEMATICS, UNIVERSITY OF KALYANI

KALYANI, 741235, W.B.

ABOUT NSAMSIR-2026

The seminar aims to bring together eminent academicians, researchers, faculty members, students and young scholars to explore recent advances in Mathematical Sciences and their interdisciplinary applications. It seeks to foster academic collaboration, encourage innovative research and facilitate the exchange of ideas through inspiring invited lectures, interactive discussions, and contributed paper presentations. The event will also celebrate National Mathematics Day, commemorating the remarkable contributions of Srinivasa Ramanujan and the enduring significance of mathematics in science, technology and society.

ABOUT THE DEPARTMENT

The Department of Mathematics, University of Kalyani, established in 1963, has a distinguished legacy of excellence in teaching and research in Pure and Applied Mathematics, offering postgraduate and doctoral programmes. Complementing this rich academic tradition. At the same time Department of Mathematics under DODL, established in the 2018, offers M.Sc. programme in Mathematics through the Open and Distance Learning mode, providing flexible and accessible opportunities for higher education to learners from diverse backgrounds through well-structured self-learning materials, Personal Contact Programmes (PCP), academic guidance, and project-based learning. DODL bridges geographical and educational barriers while promoting quality mathematical education. Together, both departments are committed to advancing mathematical knowledge, fostering research and interdisciplinary collaboration, and nurturing future generations of mathematicians, researchers, and professionals to achieve their goal in future.

ABOUT UNIVERSITY OF KALYANI

Established on 1 November 1960 under the Kalyani University Act, 1960, the University of Kalyani is a premier state university in West Bengal committed to excellence in higher education, research, innovation, and societal development. Guided by the Kalyani University Act, 1981 (amended up to 2001), the University has evolved into a multidisciplinary affiliating university with the various affiliated colleges across Nadia and Murshidabad districts. With a strong focus on academic excellence, cutting-edge research, technological innovation, skill development, and interdisciplinary collaboration, the University provides a vibrant ecosystem for students and researchers to develop advanced knowledge and pursue innovative solutions to contemporary challenges.

Chief Patron

Prof. Kallol Paul
Vice-Chancellor
University of Kalyani

Patron

Prof. Partha Pratim Sarkar
Pro-Vice Chancellor
University of Kalyani

Chairman

Prof. Ashis Kumar Panigrahi
Director, DODL
University of Kalyani

Vice-Chairman

Prof. Dibyendu De
Head, Dept. of Mathematics
University of Kalyani

Conveners

Prof. Sanjib Kumar Datta
Dept. of Mathematics
University of Kalyani

Dr. Sankirtan Sardar
Dept. of Mathematics, DODL
University of Kalyani

Dr. Souvik Gayen
Dept. of Mathematics, DODL
University of Kalyani

Organizing Committee

- All the Faculty members, DODL, K.U.
- All the Faculty members, Department of Mathematics, K.U.

Advisory Committee

1. **Prof. Kallol Paul**
   Vice-Chancellor, K.U.
2. **Prof. Partha Pratim Sarkar**
   Pro-Vice Chancellor, K.U.
3. **Prof. Swati De**
   Dean, Faculty of Science, K.U.
4. **Prof. Anirban Mukhopadhyay**
   Director, IQAC, K.U.
5. **Prof. Sujit Kumar Sardar**, *J.U.*
6. **Prof. Abhijit Lahiri**, *J.U.*

Keynote Speaker

- **Prof. Kallol Paul**
  University of Kalyani

Plenary Speaker

- **Prof. Anupam Saikia**
  IIT Guwahati

Invited Speakers

1. **Dr. Sucheta Chakrabarti**
   Former Scientiest G, SAG, DRDO

2. **Prof. Goutam Paul**
   ISI Kolkata

3. **Prof. Samarjit Kar**
   NIT Durgapur

4. **Prof. Anirban Banerjee**
   IISER Kolkata

5. **Prof. Sujit Kumar Sardar**
   Jadavpur University

6. **Prof. Gopal Chandra Shit**
   Jadavpur University

7. **Prof. Atasi Deb Ray**
   University of Calcutta

Call for Abstract

Interested participants are cordially invited to submit abstracts of their original research work within 300 words in MS Word or LaTeX format, along with the Registration Form. Contributions are welcome from various areas of mathematical sciences and their interdisciplinary applications, particularly in science, technology, artificial intelligence, computational research and other emerging fields.

(**Abstract Submission Link:** https://forms.gle/yXawtaUz3ikYDCem8)

Best paper will be awarded.

Registration Details

Registration fees: **Student: ₹ 500/-**
Research Scholar: ₹ 800/-
Faculty Member/ Industrial Person: ₹ 1000/-

The organizers have the full right to accept or reject Registration based on capacity.

(Registration Link: https://forms.gle/anssUEJasXKcdCKa7 **)**

Important Dates

Abstract Submission Open: **27.11.2026**
Deadline of Abstract Submission: **08.12.2026**
Notification of Acceptance by: **10.12.2026**
Registration open: **27.11.2026**
Registration closed: **12.12.2026**

Limited accommodations may be arranged on request (Payment basis)
